Best Flowers went to Clarisa, Plot 95

All the winners received a cash prize and Best Plotholder and Best Flowers also received a silver cup which will have their names engraved on.

We have also entered 4 plots this year to the Barnet Federations Plot competition and we will let you know how they do against all the entrants from Barnet. Fingers crossed for them.

Trading Hut:

The trading hut will be closed for 3 weeks from 14th – 29th August and re-opening on Saturday 4th September.

Padlocks:

Over the next week we will be putting a new lock on the main gate off the Hendon Way. The code will be xxxx !. It is a new kind of lock which we are hoping will last longer than the previous ones until such times as we get the fob entry fitted.

Bat survey:

During week beginning 9th August 2021 there will be a bat survey I the large oak tree near the Clitterhouse Park gate. There will be people doing the survey between 8pm and 6am on one night. So if you see intruders it will probably be them.
